- \_\_\_\_ 1. The following shall be provided to the stud dog owner prior to breeding:
- A. A complete pedigree of not less than 4 generations.
  - B. Copy of AKC registration certificate and copies of certificates of any titles earned.
  - C. A clear color standing photo of the bitch (side profile).
  - D. Proof of all OFA testing (ie: Cardiac, eye exam, OFA hip & elbow (or PennHip) and Thyroid), current brucellosis and copies of any other health related certificates such as DNA, current vaccines, current worming and bitch is to be flea free.
  - E. Notify stud owner at least a month in advance as to when the bitch is due to come in season.
  - F. Send the bitch to the stud owner in good health, free of parasites and/or infections and in season for breeding.
- \_\_\_\_ 2. Owner/leaser of bitch will be responsible for transportation of the bitch to the stud owner including any and all expenses.
- \_\_\_\_ 3. If Artificial insemination is to be done any and all veterinary expenses to be paid by owner/lease of bitch. If chilled or frozen semen is to be used the owner/leaser of bitch understands that any and all semen collection and shipping costs will be paid prior to shipping of semen.
- \_\_\_\_ 4. Owner/leaser of bitch agrees to keep bitch confined and away from any and all other males to prevent her from being bred by any other dog.
- A. If such should happen NO repeat breeding shall be given.
  - B. Stud dog owner will sign NO litter application unless pup is proven to be from stud dog via DNA certification. DNA fees from the puppies and the bitch are to be paid by owner/leaser of bitch.
  - C. There shall be NO refund of any monies paid.
  - D. If pick of the litter or other puppies back was agreed upon in lieu of cash payment, the owner/lease of the bitch shall immediately have DNA testing done on all pups so identity and selection of pups owed for can be determined. OR the stud owner will accept full stud fee and no puppy.
- \_\_\_\_ 5. Inform the stud dog owner, in writing the confirmation of pregnancy and the method used to determine said pregnancy.
- \_\_\_\_ 5. The stud dog owner will be notified within 48 hours of litter being whelped or within 1 week after due date if no pups are whelped.
- \_\_\_\_ 6. Pups that have obvious birth defects or congenital faults will be culled. This includes but is not limited to: missing legs, internal organs on the outside of body, cleft palate.
- \_\_\_\_ 7. A descriptive record (color, markings, sex, tail length etc.) and photo of any and all pups that are culled or die prior to the stud dog owner viewing the litter will be provided to the owner of the stud dog.
- \_\_\_\_ 8. Bitch owner/leaser agrees to take proper care of bitch and puppies to ensure their health and nutrition. This care includes but is not limited to: proper diet, adequate proper housing, worming as necessary, vaccinations at generally prescribed ages and proper socialization.
- \_\_\_\_ 9. NO offspring from this breeding will be offered for sale through any pet shop, grooming parlor, resale outlet, puppy mills, humane organization, or any other kennel. The owner/leaser of the bitch shall pay a penalty in the amount of \$900.00 to the owner of the stud dog, for each pup offered for sale in breach of this condition.

\_\_\_\_ 10. If stud dog owner must take legal action to enforce any part of this contract, owner/leaser of bitch will be responsible for ALL costs incurred therein and will be bound by the laws of the State of Pennsylvania.

The following is understood and agreed to by the owner of forenamed stud dog:

- \_\_\_\_ 1. The following shall be provided to the bitch owner/leaser at time of breeding:
- A. A complete pedigree of not less than 4 generations.
  - B. Copy of AKC registration certificate and copies of certificates of any titles earned.
  - C. A clear color standing photo of the stud dog.
  - D. Proof of all OFA testing (ie: Cardiac, eye exam, OFA hip & elbow (or PennHip) and Thyroid), current brucellosis and copies of any other health related certificates such as DNA etcetera.
- \_\_\_\_ 2. Owner of stud dog shall ensure the care and safety of the bitch as well as keep her confined while visiting the stud dog and assure that she is not bred to any other stud dog.
- \_\_\_\_ 3. Owner of stud guarantees 2 live pups, unless bitch has previously produced a litter of less than 2 pups. In which case 1 pup is guaranteed. If bitch has produced a litter of less than 2 live pups previously, stud dog owner will be informed of this prior to breeding.
- A. If less than guaranteed number of pups or no pups are produced, a repeat breeding will be given with no additional stud fee. Any other expenses as listed in items 1,2, &3 of bitch owner/lease agreement will be paid by owner/lease of bitch.
  - B. If pups die due to birth trauma, a repeat breeding will be given at ½ of original stud service fee. Repeat breeding will be on bitch's next heat cycle.
  - C. If no pups result or less than guaranteed number is whelped on repeat breeding no further stud services shall be rendered and this contract is terminated, and the deposit forfeited.
  - D. If the owner/leaser of the bitch does not want to repeat this breeding because the bitch didn't take or had less than 2 live puppies, this contract is terminated, and the deposit forfeited.
  - E. If a litter of pups is born and they die within the first week (7 days) of life due to unknown or unforeseen reasons (ie, puppy fading syndrome, virus, etc), the second deposit will be refunded to the owner of the bitch and no final payment will be due. No repeat breeding will be offered to that bitch.
- \_\_\_\_ 4. There shall be no substitution of bitch after first breeding, the following being the only exceptions:
- A. Death of original bitch.
  - B. Bitch having to be spayed to prevent her death. Statement from attending veterinarian and spay certificate from same veterinarian to be given to owner of stud prior to accepting substitution bitch.
  - C. If substitution conditions have been met all other conditions set forth in items 1,2, &3 will be met prior to breeding.
  - D. Regardless of results, only 1 (one) breeding will be given.
- \_\_\_\_ 5. Owner of stud can/will board bitch for a period up to 8 days (at least 4 days after last breeding has taken place after which time owner/leaser of bitch will be responsible for paying boarding fees at the rate of \$20.00 per day. Board bill if any will be paid prior to the release of bitch.

**Email:** Karfarmgiants@gmail.com

\_\_\_\_ 6. Owner of stud will sign AKC litter applications after items 1-10 of the bitch agreement are fulfilled and full financial payments and other expenses for the breeding have been completed.

\_\_\_\_ 7. Owner of stud dog will show proof of tie between mentioned stud dog and bitch listed in this contract. There will be two or three attempts to breed the bitch either naturally or artificially during her cycle. Depending on what the stud dog owner feels best to cover the breeding cycle.

**Entire/Binding Agreement**

The undersigned recognize this to be a legal binding contract and will act as such. The owner/leaser of bitch further agrees that he/she has read and understands all conditions of this contract and has received a copy of the same. Any changes are to be made in writing and agreed upon and signed by all parties involved. No guarantees are given or implied other than those set forth in this contract. It is further agreed that all owners, co-owners, and or leasers have signed this contract. It is understood that only signature of one owner or co-owner is required for stud dog.

I \_\_\_\_\_, agree that I am the legal owner or leaser of forenamed bitch and have provided a copy of registration papers and/or lease contract to stud dog owner.

I Kris Hauk \_\_\_\_\_, agree that I am the legal owner or co-owner of the forenamed stud dog and have provided a copy of registration papers to the owner/leaser of bitch.
